

Lawyers Who Care

The Hamilton Law Association would like to acknowledge **Erica Lamont**, New Lawyers' Subcommittee member, for securing the most individual donations for the 2018 **Lawyers Who Care** charity initiative. This initiative could not have been a success without the generous contributions of 39 charitable donors. We would like to thank Erica for her efforts gathering donations and congratulate the committee on another successful event. The funds raised have been distributed to Imagination Library – The Eva Rothwell Centre, Neighbour to Neighbour Centre and Hamilton Lawyers Feed the Hungry.
